

GENIE PLUS

Cleaning magic for chairs

Don't just sit there

Protect your investment.

Alcohol FREE

Genie Plus chair cleaner contains a synergistic combination of surfactants and humectants specifically formulated to cut through grease and oils, while maintaining suppleness.

- Industrial strength cleaning power removes stubborn stains*
- Removes years of built up grime to restore your chair to its original shine
- Creates a protective coating to resist soil, bacteria, mold and biofilm
- Sanitizes in 30 seconds. 10 minute disinfection time
- Specifically formulated for leather, ideal for Naugahyde®, vinyl, plastic laminate and leather surfaces
- Made with natural emollients and humectants that nourish and protect your chair
- ALCOHOL FREE formula prevents drying and cracking of upholstery
- Low foaming, non-sticky formula is easy to apply
- Leaves no residue and a non-slip surface when wiped dry

★★★★★ Rated 3.5/4 stars in the CR® (Clinicians Report) clinical field trials. 84% of evaluators rated the product good to excellent
