GOBBLE PLUS | Evacuation System Cleaner

- An environmentally friendly combination of enzyme-creating bacteria that immediately break down and “eat” organic matter, resulting in clean and deodorized suction lines
- Easy to use Tip N’ Measure bottle — measure, dilute and suction right from the bottle
- Works continuously, producing residual action between uses
- Contains no harsh or hazardous chemicals
- Low-foaming, amalgam separator friendly
- Safe on plastics, metals or carbon filters
- Mild formulation with pH range 7±1
